Class Sponsorship

The Horse of the Year is one of New Zealand's most iconic sporting events on the equestrian calendar and is an absolute must for horse enthusiasts. With a strong history and long-term partners and attendees, we create a week-long celebration of all things equestrian for everyone.

To deliver this event, we need support to take the pressure off the fees and competitor expenses.

**Your contribution will support the Dressage section at HOY. Increased resources and improved presentation will enhance the delivery.
Support those who support us.**
